

NOTICE TO ALL PATIENTS USING SHARP BOXES OR CLINICAL WASTE

All patients using sharp boxes or clinical waste must contact either

City Council 01159155555

or **Rushcliffe 01159819911**

(depending on council catchment area)

as they now collect directly
from the patient's house.

A form will then be sent
to the surgery for a GP to fill in
and return to the council.
